

Also by Edward Ashton

The provided text comprises a brief frontmatter section highlighting other works by the author Edward Ashton. It includes links and titles of two books: "Three Days in April" and "The End of Ordinary." There are no narrative elements or substantial content to summarize. The section is structured with the author's name emphasized, and it is formatted for an eBook presentation.

If there is a specific chapter from a book you'd like me to summarize, please provide that text, and I will follow your instructions accordingly.
